

Innovive Health's New Graduate Nurse Residency Program

Jumpstart your career in home healthcare!

Are you a recent nursing school graduate who wants to hit the ground running? Are you enthusiastic about nursing and looking to make an impact in the lives of patients and your community?

Look no further than Innovive Health's **New Graduate Nurse Residency Program.**

Innovive Health is transforming home healthcare, and this one-year program is designed to give you the skills you need to thrive in your career!

You will join a team of compassionate nursing case managers, serving some of the region's most vulnerable patient populations. You will have access to experienced mentors, ongoing training, and innovative technologies that streamline processes and improve patient outcomes!

Do not miss this opportunity to immerse yourself in the region's fastest growing home healthcare provider in a supportive and collaborative environment.

What You Will Learn:

- Home healthcare rules & regulations
- Nursing case management
- Point of care technology platforms
- Communication & documentation skills
- How to collaborate with physician, payor & community partners
- Medication administration & management
- Wound care
- Patient assessment skills & disease processes (physical & behavioral)
- Basic understanding of revenue cycle
- And MUCH MORE!
